

Saturday 9th July 2011

is Finchley's

Independents Day

Come and support your local shops for one day!

For one day, we're asking Finchley residents to make a point of using the local shops in the area – to come and spend at least £10 that they would have usually spent elsewhere.

On Independents Day, we're also asking local retailers to make a special offer to local residents – to make Independents Day worthwhile!
